

Bicycling Monterey

Information Hub for Biking Monterey County

Inspiring and empowering more people to bike, since 2009

[BikeMonterey.org](https://www.bikemonterey.org)

¡Tenemos recursos en español sobre ciclismo!

What we do:

- Educate and advocate on issues affecting people who bike
- Provide advisories on riding skills and safety
- Inform on CA bike laws and MoCo sidewalk ordinances
- Share tips for biking Monterey County
- And much more!

Why we do it? Because more people biking:

- Cuts ecological impacts of transportation
- Reduces traffic congestion
- Improves public health
- Strengthens communities
- Boosts economies
- And cultivates joy!
